CONTRACTOR PROTESTS COUNCIL'S DENIAL OF REZONING PETITION

The City Council Monday night heard the reading of a letter from the Villa, local contractor, in which he demanded restitution to the amount of \$25,000 for losses he allegedly incurred by their action in denying his petition for the rezoning of the Terrace Park Tract on which he planned to build a number of dwellings. Council members held action and comment on the matter pending a meeting with Attorney George Glavinovich.

Speaking for the good of the city, Jack Reckas, Solano Avenue businessman, asked for a report on the progress of plans to widen Keynote Blvd. City Engineer E. A. Tarr stated that advertising for bids on the work would start on Dec. 6. However, Tarr pointed out that it would not be advisable to start work on the project until March when the rainy season is over.

Reckas is sponsoring a plan to create a Memorial Lane of cedars in the center strip along Keynote Blvd. and is awaiting completion of the city's work to go ahead with his plans. He said that the people who have donated so generously to his idea deserved to know when they might expect some results.

Other business at the meeting included the reading of a letter from M. Whiting, Postmaster of the Berkeley Post Office, in reply to a request last week for more mail boxes on the west side of Albany Hill. Whiting stated there that is still a shortage of boxes but that he soon expects to have a few additional available. He promised investigation and consideration of the Albany request. The Albany Post Office is a branch of the Berkeley Office.

The council passed a resolution authorizing City Attorney Glavinovich to prepare an ordinance extending to one hour the parking limit on each side of San Pablo Ave. from Washington Ave. to the County line.

Troop Mothers Make Plans for Christmas Party

The regular meeting of the Scout Mothers' Club of Troop 12 was held at the home of Mrs. Helen Brown, 1058 Peralta St., on Thursday evening, Nov. 20. The meeting was conducted by Mrs. Blanche Endahl, vice-president, in the absence of President Anne Wakeman, who is convalescing after a recent operation.

Plans were made for filling bags of fruit, candy and nuts for the Christmas party of Troop 12 to be held Dec. 23. Les Simonsen, Assistant Scoutmaster, attended the meeting and gave the mothers highlights of Scout activities planned for the near future. He reminded the mothers of the Thanksgiving dinner to be served at 7 p. m., Nov. 24, by the boys of Troop 12 for their parents and families. Announcement of the paper drive, to be held on Dec. 14 was also made.

Following the business of the meeting, Mrs. Brown and Mrs. Mac Muir provided an entertaining time, with prizes, and refreshments. Several new members were welcomed at the meeting. They were the Mesdames Loretta Louise, Jeanette Patch, Grace Peterson, Katherine Baxter, Lenis Eyer, Juanita Rowland and Ann Jonassen.

Others present were Mesdames E. Nahmes, Mae Muir, Blanche Endahl, Minnie Burgess, Madeline Simonsen, Edna Zeigenfuss, Thel Hains, Fannie Wray, Frances Flynn, Elna Pawson, Dorothy Smyth, Bernice Greenwood, Lucile Lindsay and Helen Brown.

Guests present were Mrs. Emma Osterode and Mrs. Mary Stucke. The next meeting, the Christmas party, will be held on Dec. 11 at the home of Mrs. Zeigenfuss, 523 Alcafe Ave. Mrs. Baxter and Mrs. Greenwood will assist as co-hostesses.

Culture Seeking K9's Stir City Council

Albany schools are going to the dogs. Oops, pardon us, it's the dogs that are going to the schools.

The increasing number of dogs appearing on school playgrounds is causing concern among school officials. In fact, the situation has become so doggone serious that the City Council on Monday night heard a letter from the principals of Marin and Cornell schools requesting action be taken to keep the critters off the school grounds. They are causing a situation which might easily become dangerous. The school heads requested an ordinance permitting the poundmaster to impound dogs found on school grounds.

Councilman Bert Hill, speaking on behalf of man's best friend, pointed out that the dogs could not be blamed for following their little masters to school. He suggested that if the adult owners of the dogs were made aware of the situation they could lock the pets in the house until junior was safely in class. Hill suggested publicity to bring the matter to the attention of the dog owners.

Albany Teachers Will Support Aid of Needy European Educators

At one of its four yearly meetings last Thursday night, the Albany Teachers' Association voted overwhelmingly to support the National Education Association's program of "Aid for the Needy Teachers of Europe."

The assistance program for Europe's teachers involves cash contributions on the part of American teachers. These contributions are intended to provide help over and above that offered through other aid programs currently being provided.

The local chapter voted to endorse the program almost to a teacher. According to Mauri Gould, president of the association, "The front line of democracy is being maintained in many cases today by the very teachers this supporting program will help."

Ed Howell Honored at Hollywood Reception For State Rec. Body

Ed Howell, Albany Superintendent of Recreation, was an honored guest at a reception in Hollywood Friday night for the new State Recreation Commission. Many prominent persons in public and private life were in attendance.

Howell presented Assembly Bill 2012 to the State Legislature at the last session creating the new State Recreation Commission. He was among the few candidates considered by the State Recreation Commission for the position of State Director of Recreation to be appointed by the Governor.

It's a Girl!

The Albany police station was shrouded in a cloud of cigar smoke Thursday after Officer David F. Perkins came in with a proud smile, a box of cigars and the news that his wife, Jean, had just presented him with a seven pound four ounce baby girl.

Little Roxanne, the first addition to the Perkins family, arrived at Albany Hospital at 12:30 p. m. on Nov. 20. Both mother and daughter are reported "doing fine."

Perkins and his wife, the former Jean Streeter, are both graduates of Albany High School. He served as a corporal with the Marine Corps and landed with the Leathernecks on Siapan and Iwo Jima. He has been on the local police force almost two years.

Legion Will Ask City Aid for Football Field

Jack Hamilton, Commander of Albany Post 292, American Legion, this week announced that he has instructed Ralph Beemer, head of the Community Betterment Committee of the local Post, and Godfrey Hanson to meet with civic and fraternal organizations to organize a campaign to push the construction of a football field on the west side of Memorial Park.

A Legion committee will be appointed to work with the Park Commission, the City Council and the Board of Education to gain authorization of funds and the use of a portion of the park and what is now Pomona Ave. as a site for the proposed athletic field.

Hamilton pointed out that to his knowledge there is no high school in any city comparable in size to Albany which does not have an athletic field. "This project has been talked of for a long time," Hamilton stated. "Now we intend to have some action."

The Legionnaires want the field, with bleachers on each side, completed by the beginning of the fall school term next year. They propose calling the field Memorial Stadium.

Featured on the program will be the Department of Public Welfare with Mrs. J. A. Hilliard, director, and the Recreation Chairman, Mrs. L. A. Burman. Mr. A. C. Baxter, principal of Garfield Junior High, will discuss recreational facilities and programs financed by the Board of Education. Special emphasis will be given as to extent of facilities, content of program and the responsibilities of supervision.

All interested members are invited to attend.

The Marin Dad's Club, with President Bill Dutton presiding, will hold their third monthly meeting of the Fall term in the Marin School Auditorium on Tuesday, Dec. 2.

Refreshments in the school cafeteria will follow the program.

Albany playgrounds will provide a variety of physical, cultural and social activities during the Thanksgiving school vacation for city schools from Wednesday through Sunday.

Cornell and Marin School playgrounds will be open Wednesday, Friday and Saturday from 9:30 a. m. to 5 p. m. Memorial and Terrace Parks will offer activities for adults and children from 9 to 5:30 p. m. Wednesday through Sunday.

Codornices Playground and the Recreation Center plan a schedule of activities from 9 a. m. to 10 p. m. Wednesday, and Friday and 9 a. m. to 6 p. m. Thanksgiving Day and Saturday.

Miss Godfrey will appear with Mertina Towler, concert pianist at 3 p. m. at the College Women's Club, Bancroft Way and College in Berkeley.

Thanksgiving

There are many things for which we may be thankful on this Thanksgiving day of 1947. Our land is free, our homes are intact and we may sit ourselves down to tables bountiful with the foods traditional to this holiday.

The price we paid in "blood, sweat and tears" for victory in the last great war was heavy and saddening. But in lands across the oceans, beating upon our free shores, suffering multitudes are still paying for the unfortunate circumstances which threw them in the path of total war.

Their payment is in the sight of loved ones starved and pitiful in their want. They huddle in the wretched remains of what they once called home or in some makeshift shelter far from their homeland. Their sunken eyes turn pleadingly in any direction from which food may come and their bony hands clasp as friend any man who will bring them relief from their suffering.

Here in this bubbling caldron of misery is brewed the poison of another world war. Political opportunists, like squaking, fighting vultures are feeding upon the body of a prostrate world to mold sinews for another great conflict. But if we would aid the starving peoples of the world only to buy a few years of uneasy peace, then we become as base as those we condemn. We must give of the strength of our land because those in need are fellow humans in a world where One Power created all men.

So let us commemorate Thanksgiving in the true spirit of the day—Give thanks by giving.

TWO PEDESTRIAN DEATHS HERE WITHIN 24 HOURS

Two pedestrians were killed in Albany within a 24-hour period last week to bring to eight the total of traffic fatalities for 1947 in this city.

Struck down while crossing Solano Avenue in front of the Post Office, Mrs. Louise Escolá, 58, of 914 Cornell Avenue died in a police ambulance en route to the Herrick Memorial Hospital, Berkeley.

The second fatality occurred at 7:45 p. m. Friday when Robert S. Robinson, 36, residing at 969 Curtis St. was struck by an auto on Marin Ave. between Curtis and Neilson Sts.

According to police reports, Mrs. Escolá, believed to be walking home from a movie, was struck at 10:30 p. m. by a car driven by August Bascou, 21, of 1247 Francisco St., Berkeley. Deputy Coroners said the immediate cause of her death was hemorrhage of a ruptured heart and hardening of the arteries. They stated she received a fractured leg and abrasions when struck by the auto. Bascou was not held.

Driver of the car which allegedly struck Robinson was Miss Ann Lempe Jeunesse, 20, a clerk for the Marchant Calculating Co., who resides at 1052 Talbot Ave., Albany. She told Police Chief Stanley Williams, who was directing the investigation of the accident, that she did not see Robinson until he was about four feet from her car. She applied her brakes, swerved the car and skidded about 45 feet. Police said Robinson was carried considerable distance by the car before he fell from the hood to the pavement. He died at Herrick Memorial Hospital at 8 p. m. Miss Jeunesse was not held.

Grieved friends gathered at the McNary Berg Chapel, Berkeley, at 2 p. m. Nov. 24, to pay their last respects to Robert S. Robinson, beloved husband of Jessie A. Robinson and father of Mrs. Frances Robinson Conley of San Pablo. Also surviving are two sons, Robert S. Robinson, Jr., of San Francisco and Allen D. Robinson of Albany. Three sisters and a brother also mourn his passing.

A native of Frontenac, Kansas, Mr. Robinson was a member of Calvary Presbyterian Church, Berkeley. Concluding services were at Sunset Crematory.

ALBANY MOURNS PASSING OF JAMES M. CASEY, POSTMASTER FOR 8 YEARS

Fire Chief Urges Christmas Safety

In his annual holiday safety message to the citizens of this community, Fire Chief Fred Pimental this week warned that candles at Christmas time are still taking an appalling toll of lives and property.

"Although the candle is found more rarely each year," Pimental stated, "it is still used unwisely in many places during the Christmas season. Candles on mantle pieces and as table decorations too near inflammable materials are the main fire hazards."

The Chief also urged precaution in the use of electric lights for decorations. Lights should be checked to see that they are in good condition as a short circuit in worn wiring is sufficient to set a tree burning.

Pimental urged residents to see that fuses have the proper rating as too many lights from one circuit or outlet will blow a fuse. Should this happen, eliminate some of the lights and replace the fuse with one of the same rating.

Decorations used at public gatherings must be fireproofed, the Chief warned, for many disasters have been caused from small fires flashing across halls filled with combustible materials.

In concluding his warning, Pimental expressed the belief that if common sense precautions are taken, there should be no tragedies to mar the holiday season.

MORGAN'S MEANDERINGS By M. S. T.

Legionnaires of Post 292 dug down deep this year and shelled out 75 bucks for the Veterans Hospital Christmas Committee and 25 smackers for the Gift Shop at the Livermore Vets Hospital. Those boys don't forget a buddy.

Brian Thomas Collins, four years young, of 508 Carmel Ave., has a big order of growing to fill. He won the bike at the Albany Theatre Saturday and will have to do some sprouting to straddle that shiny new seat.

The latest request received by Fire Captain Gerald Browne for "The Story of Albany" comes from Al Magazin, ex-Albanyite now doing business in Hawaii among the waving palms (trees, that is). But the long distance prize goes to a party in Finland, the relative of a local resident, who wants to find out all about our city, past and present.

A Stanford Indian fan was ready to do a job on anyone in Haven's Market Saturday who felt that Cal won the game that is Big by anything more than sheer luck. Seems that he had to shell out some moola on his confidence in the Redmen, adding insult to injury.

CPO Curtis Smith will soon be joined in Hawaii by his wife, Lillian, daughter, Joan, and son, Stephen. Mrs. Smith closed their home at 1017 Evelyn and set sail for the Islands where daddy will be stationed with the Navy for a while.

Councilman Bert Hill swears this one really happened: While Poundmaster Walter Asher was rounding up dogs around Cornell school, one eager little lad scrambled over the fence, opened the pound truck and released all of Asher's canine captives.

Albany Exchangette Club to Meet Dec. 2

The Albany Exchangette Club met Tuesday, Dec. 2, at Griff's Steak House with Mrs. Evelyn Gordon, the president, in charge.

The constitution was recently ratified by members who decided that starting the first of the year, every other meeting would be a business meeting with alternate ones having programs.

The club raised \$50 at a recent white elephant sale.

All Albany this week mourns the passing of James M. Casey, postmaster of the Albany Post Office for the eight years it has been in operation in this city. Mr. Casey passed away Sunday night at his home, 815 Ramona Ave., the victim of a heart attack.

Born in Berkeley 54 years ago, he lived there 35 years before moving to Albany. He was educated in Berkeley schools and attended the University of California. He was a veteran of 36 years in the postal service.

Surviving is his widow, Mrs. Anita Marie Casey, and two daughters, Patricia Casey and Mrs. William Van. A Rosary will be held for Mr. Casey at the Little Chapel of the Flowers in Berkeley on Tuesday evening at 8 p. m. On Wednesday at 9:30 a. m. relatives and friends will gather at St. Ambrose Church for a Requiem Mass. Interment will be at St. Joseph's Cemetery.

Teachers to Hear Noted Speakers At Oakland Meet

Albany teachers and administrators will meet with other East Bay educators in Oakland for a one day Institute on Wednesday, Nov. 26.

At the morning session in the Oakland Auditorium, the teachers will see a dramatization of two types of faculty meetings, the new and the old. The a cappella choir of San Francisco State College, directed by Roy Freeburg, will sing a number of selections. Erika Mann, daughter of author Thomas Mann, will address the meeting on the subject "Both Sides of the Curtain."

The afternoon session will be held in the Oakland High School Auditorium. Eugene Staley, Educational Director of the World Affairs Council of Northern California, will speak on "Knowledge for Survival." Staley will also be the speaker at a luncheon on Wednesday noon at the Hotel Leamington.

The Institute has been arranged by representatives of the East Bay Teachers' Organization and attendance by educators is compulsory.

As a preliminary to the Institute, the East Bay Chapter of the California Schoolmasters' Club will have a dinner on Tuesday evening at 6:15 in the Claremont Hotel, Berkeley. Dr. George D. Strayer, formerly Professor of Emeritus at Columbia University, will speak on "The Challenge to Education in Our Times." Dr. Strayer is now a member of the Joint Committee on Assistance of Public supported Higher Education in California.

Bike Races Postponed

The closing of Pomona Ave. between Portland Ave. and Thousand Oaks Blvd. and the construction on Key Route Blvd. have forced the cancellation of the Recreation Department bicycle races scheduled for Nov. 28. The races have been postponed until proper streets offering complete safety for the boys and girls competing may be found.

BULLETIN

Albany Police reported today that Richard Huff, 6, of 1019 Ordway St. was struck by an auto when he rode his scooter down a driveway in front of 1013 Ordway at 3:15 p. m. Monday.

Mrs. Maybelle Jones, 1036 Ordway, driver of the car, stated that the child coasted into the street just as she swerved to miss hitting a dog chasing her car. She took Richard to Albany Hospital where he was checked and released to the care of his parents. He was later rechecked at Herrick Memorial Hospital, Berkeley, for a bruised nose and minor contusions of the left chest.

Local Residents Now Receiving Christmas Seals

On Monday, November 24, over 170,000 sheets of Tuberculosis Christmas Seals were mailed to residents of Alameda County. The tiny stamps which appear annually on holiday letters and packages have proved a powerful weapon against the contagious disease. In the 41 years that Christmas Seals have been sold in America the national tuberculosis death rate has been lowered from 174 per 100,000 population in 1907 to 42 per 100,000 population in 1946.

An examination of the situation in Europe where lack of good housing, improper diet and general post-war chaos have helped to make tuberculosis a number one killer, serves to remind us of the importance of the success of this year's sale of Christmas Seals. It is significant that Germany which had one of the lowest tuberculosis death rates before the war now has one of the highest. Today it is estimated that there are 400 new TB cases and 150 deaths in Berlin each week. In Poland about 18,000 people, mostly children, die of tuberculosis per month.

Tirol Company Offers Xmas Preview on Gifts

The Tirol Co., 1870 Solano Ave., invites their old customers to come in for a preview of their 1947 Christmas toys and gifts.

Tirol says quality is up, prices are down but their stocks are limited and advise their friends to come in soon as many of the new things won't last long. They invite their old friends to use their credit for toys, wheel goods, radios, sporting goods, appliances and many other useful gifts.

J. V.'s Lose Again

The Albany JV's finished their 1947 season with a 12-0 loss at the hands of the Vallejo Ramblers in a night preliminary game recently.

Vallejo's first score came in the second period. After the Cougars held the Redskins for 4 downs on the one-foot line, Cox quickkicked to his own 45 yd. line, and Morgan a fast Vallejo back, ran the ball back all the way untouched. The Redskins scored again in the third quarter on a pass from Morgan to his right end.

The Cougars were on Vallejo's one yard line two times but the Redskins' line held up and kept Albany scoreless.

Avenues of trees in straight rows, even miles long, across forest or countryside were popular in the seventeenth century in Europe.

GUARDING A SECRET

Only three people know the identity of "Miss Hush," the mystery lady who speaks weekly over NBC's "Truth or Consequences" in behalf of the March of Dimes. They are (left to right) engineer Joe Kay, program emcee Ralph Edwards and stage director Al Paschall. The "T or C" listener who correctly identifies "Miss Hush" will win valuable prizes, which increase in number each week that the mystery remains unsolved.

PRE-SCHOOL PLANS REOPENING ON DEC. 1 AFTER FORCED VACATION

The Albany Pre-School plans to reopen Monday, Dec. 1 after an emergency vacation during the entire month of November. Parents will be notified by telephone if repairs now underway have been completed.

While making a routine inspection City Engineer E. A. Tarr discovered the building on Masonic Avenue unsafe for the 60 tots who attend school there five days a week. The City Council promptly voted \$2000 to cover the necessary repairs. The lowest of three bids on the work was submitted by Dryer and Taylor of El Cerrito and the contract was awarded to them.

The Pre-School Mothers' Club at their November meeting voted a maximum of \$600 from their own treasury to improve the plumbing at the school, paint the interior, and install new linoleum in the bathrooms. In order to defray some of this expense they are holding a paper drive on Saturday, Dec. 6. Mrs. William McGimpsey, chairman, asks all Albany residents having paper to pick up, either leave their bundles at the pre-school, 850 Masonic Avenue, or contact her at Landscape 5-0403 and a truck will pick them up. Magazines and paper should be securely tied in separate bundles.

GIANT STEAM ELECTRIC PLANTS

READY for service in '48

More than a half million new horsepower from giant steam electric plants will be added in 1948 to this company's interconnected electric system of both hydro and steam powerhouses.

The first big block of additional power is scheduled to come on the lines in the spring of 1948, from the new Kern Steam Plant near Bakersfield. This steam-electric plant, costing \$25,600,000, will generate 235,000 horsepower of electricity.

In the fall of 1948, an additional 298,000 horsepower will come from Station "P" Steam Plant at Hunters Point on San Francisco Bay. This is a \$23,700,000 construction project that will increase the plant's present generating capacity from 62,000 to 360,000 horsepower.

Elsewhere on our system the company is driving ahead on other projects—hydro plants, gas lines, substations, transmission lines, etc.—an expansion of facilities that will cost a total of \$350,000,000.

This huge construction program was started with a rush as soon as the war was over to meet and keep ahead of the growing demands for gas and electricity in Northern and Central California.

By 1951 P.G. and E.'s electric power capacity will exceed 3,500,000 horsepower and provide our customers with one of the greatest regional power pools in the Nation.

ST. ANNE'S GREENAN NUPTIALS READ BY CANDLELIGHT IN BRIDE'S HOME

Candlelight and a fireplace back-
ed with white chrysanthemums
formed the setting on Nov. 15
when Viola Elaine Koistinen ex-
changed marital vows with Ray-
mond George Greenan in the bride's
home at 938 Stannage Ave. Rev.
William Hillman, pastor of the
Apostolic Lutheran Church, read
the nuptial service at 7:30 p. m.
with the immediate families pres-
ent.

The bride chose as her wedding

attire a white satin gown with
long train and a full length tulle
veil, previously worn by her sister,
Mrs. John Zeh of Oakland. The
veil was widely edged in lace and
held in place by a seed pearl trim-
med coronet matching the trimming
on the sweetheart neckline of her
princess style gown. Her bouquet
was of red roses, edged with bou-
vardia and centered with a white
orchid.

Helen Koistinen, sister of the
bride, acting as maid of honor, was
dressed in a white crepe gown and
carried a bouquet of red roses cen-
tered with gardenias. Carl Miloslo-
vich of San Francisco acted as best
man.

Following a reception in the
Greenan home in Oakland, the new-
ly-weds left for a honeymoon at
Carmel. They will make their home
in San Francisco.
